

OUR COOKIE POLICY

Information and data may be automatically collected through the use of cookies. Cookies are small files stored within your web browser from our website. Cookies do not collect personal information about you nor do they allow us to access your computer in any way. All information is collected lawfully and in accordance with the Data Protection Act 1998 .

We use tracking cookies to identify which pages are being used. This helps us analyse data about web page traffic and improve our website in order to tailor it to customer needs. We only use this information for statistical analysis purposes and no personally identifiable information is stored.

You can choose to accept or decline cookies. All web browsers automatically accept Cookies, you can modify your browser security settings to block Cookies although you should be warned that changing Cookie settings can adversely effect the performance of our website.

Please see out Privacy Policy for further details.
